APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued with the condition that the applicant shall install a standard wier and headgate as provided by law to facilitate the measurement and control of water.

This permit is granted subject to prior rights.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 31.6 cubic feet per second.

Actual construction work shall begin on or before November 19th, 1912.

Proof of commencement of work shall be filed before December 19th, 1912.

Work must be prosecuted with reasonable diligence and be completed on or before November 19th, 1914.

Application of water to beneficial use shall be made on or before November 19th, 1917.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before December 19th, 1917.

WITNESS MY HAND AND SEAL this 19th day of September, 1912.

Proof of labor filed DEC 16 1912

Map filed MAY 30 1913

Map filed JUN -1 1913

Proof of beneficial use filed JUN -1 1918

W. W. Carson
State Engineer.
